Company Profile

Traeger Brothers, founded in 1924, has grown from \$5 to \$32 million in sales over the last 10 years by remaining focused on our customers' needs. Primary reasons for our customers loyalty are our large and growing inventory of valves and fittings, a wide range of recognized partner manufacturers, skilled product support, and our Team of over 40 sales and support professionals.

Our customers count on us for:

Diverse Product Selection	Emergency Shipping
Product Support Assistance	In-house Export Documentation & Insurance
Site Surveys	Job Site Trailers
Same Day Shipment	Order Expediting & Confirmation
24/7/365 Availability	Agency relationships with Air and Sea Shippers
Quick Response to All Inquiries	Proven Strategic Alliance Agreements

Our Industrial Team currently supplies Pipe, Valves, Fittings, Flanges, Gaskets, Fasteners, and other Piping Specialties to facilities worldwide. We are a stocking distributor for Kitz Valves, Smith Valves; IML Forged Fittings; Weldbend Carbon Steel Fittings; Lamons Spiral Wound Gaskets and Fasteners, as well as many other well known manufacturers.

Our clients depend on us getting them the right products, at the right price, shipped to the right place when they are needed. Customers appreciate Traeger Brothers' attention to small details and tell us that they can "place an order with us and forget about it" enabling them to focus on their next challenges of building their core businesses. From the smallest part that delays the start-up of a unit to major construction projects - Traeger Brothers provides the best opportunity for our clients to complete their job on-time and on budget.

Our customers tell us these advantages are increasingly rare in today's business world. Perhaps these are the reasons you should include us when your next project or bid is ready! Contact us at:
